

The Science and Epidemiology of Racism and Health in the United States: an Ecosocial Perspective

by Nancy Krieger, PhD, Harvard School of Public Health

Satellite Lecture

Friday February 29, 2008

2:00pm - 3:30pm

HEALTH Auditorium

The 10th Annual William T. Small, Jr. Keynote Lecture

This lecture is the highlight of the 29th Annual UNC School of Public Health Minority Health Conference on *The Impact of Poverty, Culture, and Environment on Minority Health*, presented by the School's Minority Student Caucus. Nancy Krieger is a Professor of Society, Human Development, and Health at the Harvard School of Public Health, Associate Director of the Harvard Center for Society and Health, and Co-Director of the HSPH Interdisciplinary Concentration on Women, Gender, and Health.

The broadcast of this lecture will include a live call-in question-and-answer session with Dr. Krieger, moderated by Adaora Adimora, MD, MPH.

All are welcome to watch the satellite lecture in the HEALTH auditorium. No registration required.
